

Serve it Right Saskatchewan Sunday March 12 (8:30am - 4:00pm)

Workshop Description

Saskatchewan's Agricultural Societies host many of the biggest events that take place in our communities. Many times these events involve serving alcohol. It is up to us to ensure that we serve our customers in a responsible manner - that we "Serve it Right".

Serve it Right Saskatchewan is the official provincial responsible service of alcohol program. It provides consistent training for the sale and service of alcohol, helping permit holders to ensure that alcohol-related activities are conducted with integrity and in a socially responsible manner.

Upon completion of the course, participants will be able to:

- identify what intoxication means and looks like.
- handle situations involving minors.
- use an effective approach to discontinue or refuse to sell or serve alcohol
- understand your legal responsibilities and liabilities.

Upon successfully completing the workshop each participant will receive a certificate for your records.

There is usually a cost of \$50 for this workshop, but the workshop is free with a paid registration to the SAASE convention. Space is limited to 20 people for this workshop – in order to give as many Agricultural Societies access to the workshop – only 1 person from each Agricultural Society will be able to register. Lunch is included
